

CLAIMS

What is claimed is:

1. A shower surround comprising:
a base portion;
a first wall portion;
a second wall portion; and
a corner portion engaged with said base portion, said first wall portion and said second wall portion, said corner portion comprising a multiple of shelves.
2. The shower surround as recited in claim 1, wherein said multiple of shelves are molded into said corner portion.
3. The shower surround as recited in claim 1, wherein said multiple of shelves are removable from said corner portion.
4. The shower surround as recited in claim 1, wherein said corner portion comprises a multiple of horizontal shelf slots.
5. The shower surround as recited in claim 4, wherein said multiple of horizontal shelf slots arranged vertically along a length of said corner portion.
6. The shower surround as recited in claim 4, wherein said multiple of horizontal shelf slots are segmented.
7. The shower surround as recited in claim 1, further comprising a seat mountable to said corner portion.

8. The shower surround as recited in claim 1, further comprising an integral light within said corner portion.
9. The shower surround as recited in claim 1, further comprising a top trim engageable with said corner portion, said first wall portion and said second wall portion.
10. The shower surround as recited in claim 9, further comprising a shower head mounted to said top trim.
11. The shower surround as recited in claim 9, further comprising a water conduit which communicates water to said shower head, said water conduit located at least partially through said top trim.

12. A shower surround comprising:
a base portion;
a first wall portion;
a second wall portion; and
a corner portion engaged with said base portion, said first wall portion and said second wall portion, said corner portion comprising a multiple of horizontal shelf slots arranged vertically along a length of said corner portion.
13. The shower surround as recited in claim 12, wherein said multiple of horizontal shelf slots are segmented.
14. The shower surround as recited in claim 12, further comprising a shelf removable engaged with any of said multiple of horizontal shelf slots.
15. The shower surround as recited in claim 14, wherein interfaces between said slots and said removable shelves provide a "snap-in" interface.
